“ We lived next door to Mrs. Lucas for 6 years...just moved in Aug 2019. We just found out about her passing and are so very sorry for your loss. She was an amazing woman. I would sit and chat with her on her back patio and she always walked over to give the kids little treats. I loved our conversations and wished we could've have visited her after our move. I loved that she still got out to take care of her flowers and still took walks down the street. She'll be greatly missed.

“ *What a WONDERFUL lady! I was so blessed to have her as my Aunt. Never heard an unkind word from her. She was a very positive influence in my life and was a role model for all who knew her! The world lost a beautiful flower, and heaven gained an angel. My sincere condolences to the entire family!*
