“ Dear Doreen,
Your Mom was such a kind and caring person and always was a joy to spend time with. I have so many fond memories of family gatherings in Denton and elsewhere and Isabel's lovely smile and manner was something we all remember and cherish. We will miss her greatly.

“ Isabel was a bright light in the lives of all who knew her. We first met in 4th grade in Denton Md soon after her mother had moved to the U.S. from the U.K. We became indirectly related when her mother married a cousin of my mother. We stayed in touch over the years but never enough. I will miss her very much. My sympathies to her daughter and the family.

“ Aunt Isabel was such a lovely spirit ~ always caring and kind, helpful, spirited and smart as the day is long. When I first married Jay, Aunt Isabel was an incredible support. We would get together when she and your father came to visit Uncle Jay. Whether at our home, over at the cabin, at Uncle Jay's, at Reba and Norris in Harrington or having dinner at Suicide Bridge, she and I would laugh and catch up on our lives.

I know that she is with us now, smiling and urging us to love one another and take care of ourselves and our families. She was an angel on Earth. Jay, Cartney, Abbey Lily and I mourn with you, but we also rejoice in her New Life, where she is with us always. 🌈
