“ *Dear Jim, Scott, Jack & Vicki; I am so sad to hear of your dads passing. Our childhood memories on Mountain Park Dr always include your parents. So many memories in your back yard, climbing trees, playing GI Joe, making cardboard spaceships, exploring the woods, going to Van Loons. Now that we summer at Lake Chautauqua, it takes on even more meaning knowing your dad loved it here. Your mom & dad are back together, may knowing this and happy memories help bring you calm, peace & hope in these difficult days.*
Sincerely, Ricky

“ Sally and I send our condolences to the family and want you to know that we grieve along with you with Jacks passing. Jack and I were room mates at K.S.U. and we double dated with he and Mary many times during this era. During the past few years we would meet for dinner and enjoy remembering old times together. “ I've known Mr Butler all my Life. Good friend and much more like a father whenever I was with him. “Senior” Or “Mr B” was a couple of his alias fondly spoken by dozens of family friends. A man of adventure, explorer and wonderful provider for his generations ❤️

Jack Butler was a wonderful man of God. He was always smiling and always willing to lend a hand. He helped to insulate and build walls at the shelter on 25 Freedom Road - Project Hope. He also built an outdoor shelter to keep people out of the weather upon arrival through Mentor Rotary. He was a past trustee lending his wisdom and faith to the mission. A great man of integrity and love. We will miss him dearly!
