“ We couldn't have asked for more personable or gracious neighbors than your parents, Matt. I'm sorry we knew them for such a short time. Since we met your dad in the forest of Tibbetts, we planted a tree in his honor. Peace to you and yours.

“ Jack was the kindest man I knew. He was always a good friend, reliable and moral, easy-going and even-tempered. He was truly special. In our last conversation in September of 2024 at our Class of 1962 reunion at your house, he talked about how much he missed your mom. He said she was nearby and that he visited her very often. Now they are together again. I am happy for them, but sorry for us who miss them. May God hold you especially close now.
With loving memories of Jack, Susan Winslow DeNyse.
