“ Jack was one of my very best friends for a lot of years. He was one of the kindest men I ever knew. To this day I miss his laugh and calling him crazy legs when he wore his shorts. I will forever miss you and love you my friend and partner in jokes.

“ So sorry for your loss....Jack was a (back yard) neighbor when he lived on Chagrin Drive in Mentor on the lake, I lived behind him on Ivy. It was always a pleasure to have a conversation with him. I have often wondered where he went after he moved away, I'm glad to hear that he had a good life with family and friends. I'm sure he will be missed by all that knew him.

“ Uncle Jack was one of the kindest people I know. I remember when we were kids and went on vacation to Jewett, it was always a special one when Uncle Jack's leave was at the same time as our vacation. I remember waiting for him to walk up the walk at the High ST. house in Uniform with the biggest smile just for us kids. I do not know anyone who knew him that didn't Love him. Till we meet again Uncle Jack...

“ My heart goes out to Mr. Jack's family. He was a kind and generous man. I was fortunate enough to have known him for the last 8-9 years as a neighbor, which grew into looking at him as family. I will miss the long conversations about nothing and his humor. He truly was the best neighbor/friend anyone could ever want, and will be missed in TN. May God bless his family with strength to accept his passing and let his love and memories live on in their hearts...
