“ *My mom was the greatest mom ever. I cannot put into words all of the fond memories I have of her from the time I can remember at about age 3 until she passed. Mom I love you dearly. Rest in peace.*

*Hi Jeff,
So sorry to see this... I found this by accident.
Jackie and I worked together at Higbees from 1989 to 1991.
I worked directly with her in Men's slacks.
She was a wonderful woman— hard working, and over and above for customers.
Most of all, she made everyone feel welcome and cared about.
I would stop to visit her when passing through Dillard's, up until her retirement.
May God Bless her and provide eternal peace and happiness.
She was definitely one in a million! 😊*

Thank you Tim, my mom spoke of you often, she enjoyed working with you! (this is Jackie's daughter Holley). She would be so happy to see the comments from all of her Higbee's/Dillard's friends. If there is a department store in Heaven I'm sure she's up there folding clothes and making sure the sizes are in order, lol

“ I worked with Jackie at Higbees/Dillard's back in the 90's. She was always a very hard worker and great with the customers. She made a work day always better with her smile and her stories. After I left the company my wife and I enjoyed seeing her at the store. She always made you seem like family. So sad to hear of her passing. She was one very classy lady. Rest In Peace.
