“ Jackie spent many hours at the West Geauga Senior Center. Many people did not realize she was a senior, but thought she worked there. This was because she was always helping someone. She made sure everyone had their coffee, snack and took everyone their lunch along with kind and encouraging words. She was our greatest advocate and best volunteer. She loved to play the organ and lead the best sing a longs. She always had pictures of her family to share and brag about. Jackie, You were so loved and will be greatly missed. I am sure you are dancing with Terry and happily playing that heavenly organ. Rest in Peace my dear friend. Teddi
