“ So glad I got to visit with my cousins when I was in Ohio. Jacqueline looked good but was having a lot of trouble. She knew she had a short time on this earth and made the most of it. Will miss her as a lifelong cousin had lots of phone talks that I will remember as long as I live. God be with the family at this time will be there in spirit

“ I am shocked and saddened to hear of Jacqueline's death. I played in the Thursday bridge group with her and it was always such a fun and lively time when she was with us playing cards. My condolences to the family; she will be so missed. That smile and laugh will always be remembered. Sharon Chamberlain

“ I will always remember the time Jacquie ran away from home to my house when we were in high school and the crazy things we did, especially the time we took the transit downtown and, on the way home got off the at the wrong stop and ended up in a bad neighborhood, we were so frightened. I also fondly remember the time she and Darrell stopped to visit my husband and me in AZ and how she always kept in touch over the years. She will be sadly missed by a lot of people. Our sincere condolences to her family on the loss of their loved one.
