“ *Dear family and friends,*

*I am deeply sorry for your loss. Many feel that they could never get through times like this, but God promises to comfort those grieving and that he isn't far off from each one of us. He is there for us whenever we need him. Rev 21:4 states that "he will wipe out every tear from their eyes and death will be no more neither will pain nor outcry be anymore the former things have passed away." What hope that gives us that no matter what the cause of our pain is, God will soon bring an end to all human suffering. But for now God offers each one of us a way to endure, how comforting that is during your time of bereavement.*
