“ Mom, his sister, took us to Uncle Jim and Aunt Linda's, and asked him to teach all of us how to change a tire, check the oil, etc...the things she wasn't sure about. And the twinkle in his eyes right before he'd tease...

“ I will miss our Popsters so very, very much.

Jim loved volunteering as Santa Claus at the American Legion. He loved telling dad-jokes. Mostly, he loved his family with his whole being. He and Linda welcomed me into their family as if I always was a part of it, extending their love to my children. I am thankful for the love and acceptance.

Watch over us from heaven, Popsters. Your laughter and love will be greatly missed.

Love, Beth Sandberg

Dad you were my super hero. I will miss our conversations we had. All the teasing that tim scott and i did to you and you getting us back. You taught me that hard work pays off. And when i became a father i knew how proud you were of how you raised me. Dad you always have said that we never listened to you but in reality we have.

*I love you dad and will miss you
