I am so sorry for your loss and that I cannot be in Mentor to tell you

*I loved hearing what Jim was doing and all of you over the years
and having the privilege to talk with Jim at MacDonald events
directly hearing his pride and love for all.*

“ Jim has always been fun to talk to but Jim and I really got to enjoy
time with him and Suzie going to the Biltmore Estate at Christmas
time and the Christmas lights display at the Charlotte Christmas
lights and the NASCAR track. Taken to soon was hoping for more
Christmas light adventures in the years to come.

“ I'll start with memories from childhood! As a young girl, I loved going to the Detroit Zoo with you, my Dad, and Gloria, when our family came to visit your family. I loved that you shared your dogs with me: Lassie and Mitzy! I loved when YOUR family came to Lima for visits. Each of our families would sing for each others' churches- I remember when you sang a solo once from the musical, Oklahoma! It was so amazing! Even though you were my cousin and 5 years older, I thought you were cute! 😊 I loved it when your family and my family would go bowling together! We had so much fun! You were ALWAYS fun to be around and had the best laugh! You had a calmness about you, and humility. I was thrilled when you moved to Ohio because I got to see you more often. I loved it when we had THOMAS Family reunions at the farm or just at a park...and when we all sang together with your Dad directing the music. You married a wonderful woman and I loved spending any time we were able to get together with you and your sweet family! You were a great cousin, husband, father, grandfather, person! Love you, Jim Thomas!
'Til we meet again! ❤️

“ Jim was not only a co-worker at Swagelok with me, he was my friend. I could always count on Jim to be a man of Christ and to be a positive influence. I consider myself lucky to have had Jim in my life and he will always be a positive memory for me. He put others ahead of himself, and was a role model in that regard. We love and will miss you Jim, take care of my friend.
