“ James is my brother in law but I considered him my brother. He was always a bright light and his personality shined like a star. He could tell stories endlessly and have you laughing in hysterics. He was an amazing artist who even as a young man travelled around Painesville sketching everything he saw. He was never without a smile or a kindness and generosity toward others. His body may be gone but I know his spirit will always be with us. Love you brother!!
