“ *My heart is heavy after hearing the news of Jan's passing tonight. We line danced together for many years at Painesville and always she was the life of the party. She would often say to me as we watched someone try to start a dance "Thats not the way that dance starts" in her own quiet bossy little tone as she rolled her eyes. Jan always brought her unique humor to whatever event we were attending. She will truly be missed. I send my deepest condolences to her family for the loss of a very beautiful special lady. May God Bless you in your time of sorry. RIP, Jan...*
