“ I had the pleasure of working with Janet for over 20 years. In all that time, I don't recall Jan ever having a bad day. It seems she woke up every morning and chose to be joyful. At the same time, she was an astute investor with a very sharp wit. She maintained a wonderful balance in her life. Her family and friends meant everything to her, and we spent a great deal of time talking about her children and grandchildren. What I most admired about Janet was her spirit. She never stopped traveling and never hesitated—even as she aged—to drive between Wilmington and Asheville each spring and fall. I admired Janet greatly and hope I will have even half of her energy and joy as I grow older. I was lucky to know Jan, and I will miss her.

“ I was heartbroken when I got the news. I took care of her landscaping needs and desires for 20 years. She was more than a client. She was a friend that went above and beyond that!
