

Janice M. Medvecky

June 12, 1928 - May 14, 2019

Janice M. Medvecky, 90, of Mentor, went home to be with our Lord on May 14, 2019 at her home with her family by her side. She was born June 12, 1928 in Mount Hope, West Virginia.

Mrs. Medvecky dedicated her life to her family and spreading joy. Her hobbies included reading mystery novels and watching TV. She was an avid Cleveland Indians fan and liked watching with her family.

Most of all, she enjoyed spending time with her children, grandchildren and family. She had a passion for fashion, pearls, baking, fishing, gardening and her infamous red lipstick. She aspired to win big from the lottery and dreamt of being a Hollywood Star—her star will always shine bright.

Survivors are her children, George (Heidi) Medvecky and Rebecca (Mike Frimel) Medvecky; and grandchildren, David and Jillian Medvecky.

She was preceded in death by her husband, George; parents, Ludwig and Felicia Omenski; and many loving brothers and sisters.

Private family services will be held at a later date.

Arrangements entrusted to the Brunner Sanden Deitrick Funeral Home & Cremation Center, 8466 Mentor Ave., Mentor, OH 44060. Please offer condolences at www.brunners.com.

“ *Becky,*

I was so sorry to hear of your mom's passing and that I was away and not able to come to offer condolences. She is surely at peace now, especially knowing how well you took care of her for so many years. You will always carry her as a part of you, and she will look down with delight at all the future ways your life evolves and expands and grows.

Love and miss you...

“ *Janice lived across the street from us as we grew up. She trusted me to be the babysitter for Becky and George. She was always the person I wanted to look like. Her makeup was always perfect no matter what she was doing. Her dress was like a movie star to me. So nice to be around. I will truly miss her every day but know she is now a star in the Heavens. God picks the best for his angels and she will be at his gate welcoming us all in that knew her.*

“*Jan, you will be truly missed. We loved hearing your stories. You always made us laugh. And of course your famous red lipstick, your signature color. We know you are at peace and finally resting with those you love. Becky for you and your family we want to wish you all the love and courage to move forward and be proud of how wonderful you took care of your mom. There aren't enough words to express our sorrow in your time of need. We are always there for you no matter what. Jan was loved very much by us and a huge part of our family.*

“*Mrs. Medvecky was one of my second moms, so sweet and caring. She reminded me of a movie star, so pretty, beautiful skin, so white; and the notorious red lipstick. Never left home without it. Great memories, so many of them. Her house was a safe zone, just like ours but across the street. Her heart was so big and generous to all. So funny the living room was a sacred place, furniture had plastic covering and floors with plastic strips to walk on; to protect it from whatever us kids would track in. RIP Mrs. M, you will always hold a special place in my heart.*
