

## Jean Crosbie

December 3, 1938 - January 13, 2023

Jean Crosbie passed away peacefully on Friday, January 13, 2023, at her home in Mentor. She was born December 3, 1938 in Bellshill, Scotland.

She is survived by her daughters, Lesley and Paula, and her son Jamie, one grandchild, Sarah, and one great-grandson, Tyler.

Jean received a Bachelor of Fine Arts from Stowe College of Art in the United Kingdom. She worked in various elite department stores managing the displays and marketing. She met her husband, James, at piano lessons and they were married for 56 years. James worked for the former Caterpillar Tractor Company and she came to the United States in 1979 where she settled in as a full time homemaker.

She was an active member of Old South Church in Kirtland for over 30 years and loved to attend youth events. She loved to decorate and play with interior design, dancing, baking, and was an avid reader. Gardening was her passion and she loved animals; especially her little Maltese, Oliver, whom she cherished. She loved to go to the movies, visit zoos, and would make all of her children's clothes growing up. She was a pretty exemplary seamstress and above all a loving, kind mother. She loved to travel. Her favorite destinations were Spain, Mexico, the Cayman Islands, New York City, California and New Orleans to name a few. She even flew to London for Lady

Diana's wedding.

She will be missed dearly by her family and what a joy and treasure she was to all of us. Her final resting place will be in Western Reserve Memorial Gardens in Chesterland.
