“ Nancy, Peggy, and family~ Jean had 95 wonderful years. Wow! When I think of a neighbor, I think of Jean! We Butlers were blessed to live next door, and share some good neighborhood fun and memories! Even after growing up and moving away, whenever I was at Mom & Dad's, visiting with your mom was like chatting with a 'forever' neighbor. I will always remember her calling me the day Dad fell to fill me in with what she knew after your dad drove Mom to the hospital, and her compassion. You're in my thoughts and prayers.

Nancy, Peggy, and family... I echo my Mom's (Lynda Butler Boucher) sentiments about the 'forever' neighbor. I cannot recall a time that Jean was not smiling and vibrant! The memories I have of your Mom are numerous, and as I often think about being at 'Grandma & Grandpa's,' when I was growing up, the images that flood my mind include not only their house, but "Jean & Steve's" too - it's always a package memory! Peace & love, Jennifer

“ Dear Nancy and Mike, Peggy and Ernie, and all of your family ~ We are sharing in your sorrow in this time of loss. May your heart feel the tenderness of God, the caring love of friends, and the cherished comfort of memories. Steve and I will cherish those memories that we made with your mom/mother-in-law/grandmother...throughout the years. Let the heavenly reunion begin with she and your dad!

“ I fondly remember the sleep overs we had at Peggy’s house growing up and “Mrs. Beasley” adding to the fun. You’re so fortunate to have had your mom in your lives so long. May the memories of joyful times help you celebrate a life well lived.
