“ Jeanne was such a good friend! I lived next door to her for years! She used to have a Little Blue VW. And we used to ride around in it!
She loved animals, and rescued many dogs and a few parrots! She was very ecology strong and one day a few men were cutting down her trees in the back yard! Well Jeanne, would not put up with it and threw a bucket of water on them, plus called them a few names!
She was a really nice lady and we had many good times together!
She will never be forgotten. Rest in peace my friend.....Karyn and Bernie, my cat!
