“ How sad I was to hear about your mom. I loved her like my second mom and would send Mother's day cards after my mom passed away. I remember growing up on E359th side by side and how close our mom's were back then. Life was hard but they survived and then working at Bailey Meters together. They shared moments we will probably never know and "sister" secrets. She will always be remembered by me.

Love , Pattie
