“ Teresa,

We have great memories of our time with you and Jeff cheering on the girls when Sarah played soccer with Meghan and Katie. Vic always had the utmost respect for Jeff for his professionalism and integrity when their paths crossed in the business world. Please know that your family is in our thoughts and prayers during this difficult time.

My heart breaks for the Lyden Family. Especially to my dear friends Pat and Bill Grisdale. Losing a son in the prime of his life, leaving a wife and beautiful children just does not seem fair. God had a better plan to take him to Heaven to live pain free and to be that special angel to watch over his family. My you find comfort in the wonderful memories you shared during this most difficult time.
