“ Uncle Jeff was a one of a kind and I will never forget early morning water skiing adventures with the Rinks. I love my Cleveland family and will forever be grateful for our Lake Chautauqua memories.

“ Jeff and I worked together for a number of years in the pump business. Even after we no longer worked for the same company, we still stayed in touch. I will miss those phone conversations during those long drives between customers. The last time I saw him he spoke about how lucky he was to get to Aruba and those great trips to Georgia. Those pictures are awesome! I will miss you, Jeffrey!

“ *Uncle Jeff was my father's best friend - and was truly that for decades. He was a wonderful friend to him and to me after my father passed. I always loved visiting with him and hearing his funny stories, told with acerbic wit. I will truly, truly miss him.*
