“ *My Grandfather was a remarkable man. Not only for his service and dedication to his country but too his family. Grandpa if I could be there I would. I can't bring 5 of your Great Great Grand Children from South Carolina. But you are in my heart for ever. You were the keeper of our memories through pictures. I will forever remember Every Christmas Eve watching your slide shows. Those were some of the best day's of my life even as an adult. I loved seeing you when I made it up there. I know Grandma is tickled pink too see you again. Your memory will live on in all of us.*
