“ *So many memories, so little space. But I will say that she gave me a kitchen witch 37 years ago as a shower gift and that witch has moved with me for all of those years and blessed my kitchen with good food in every one of my homes. There has not been a day in all those years that I haven't thought of Aunt Joan while cooking a meal. And because of that witch, I will continue to think of Aunt Joan every single day!*

Aunt Joan, you were a very special lady and will be loved and cherished always.

Love,

Julie
