“ Before transferring over to St. Philomena, Jody was part of the 1963-1964 first grade class at St. Agatha. Although there a short time, but by way of other connections several of her former classmates were kept apprised on how she was doing over the years. Those of us out of that class still in contact are saddened by her loss, but happy and joyful for the life she lived for her loved ones. A part of Jody will live on in all hearts and minds she's touched.

“ *My condolences to Jody's family. I attended Ohio University with Jody where she was instrumental in my becoming a member of Delta Sigma Theta Sorority, Inc. I enjoyed hanging out with her as Sorors and as good friends. This caught me by surprise, as over the past few years we lost touch but as recently as last month, I wondered how Jodi was doing. I am so sorry to hear of her passing. I have endeavored to contact all of the sorority sisters who pledged Delta with Jody and who worked with her in Epsilon Iota Chapter at Ohio University. I am praying for comfort for family, relatives and friends. God Bless You.*
