“ I have been blessed to have met and have John in my life for 4 short years, and to have been family for just a few weeks. I will miss our most every night FaceTime chats, your smile and your laugh probably most of all.

You Rest In Peace my brother in law, until we can be together again.

Prayers, Love, and Hugs. For you Cynthia as we are here for you during this difficult time.

“ I am really going to miss my breakfast buddy, and my most interesting and thoughtful friend! We had many wonderful and even challenging conversations, and he kept me on my toes and was always an interesting conversationalist. But I'm relieved his pain and suffering is over, and he's on to his next journey. May I cross his path once again! Jerry Walker

Going to miss my brother-in-law, friend and co-pilot.

May God welcome and comfort you.

The sorrow we feel when we lose a loved one is the price we pay to have had them in our lives. Peace be with you...John.
