“ John was a great mechanic and teacher. I was his helper for several years. If he liked you he would show you the trade. If he didn't well let's say you were going to have a long day. I was in charge of the morning libations Earl Grey shot of cream and two sugars. He always had a way of doing it effortlessly he would fold his Otis shirt up work in a white tee shirt and never get dirty above his wrists, mme on the other hand looked like pigpen. He was one of a kind and will me missed..

“ John was a dear friend for over 30yrs. We spent many good times together at a cabin where we would target shoot with other guys and share a lot of laughs.
