“ I was honored to work with Jack for many years at Cleveland Crane and Engineering. I was the young 18 y/o kid and he was the senior man. What a great guy! I have often thought of all the friends I made on my journey, and I always remember Jack. He use to sing "Dear John" and we would both howl afterwards. I met his wife Alice when she worked at the Credit Union-Absolutely wonderful folks. Jack- I will always think of you fondly. May God bless you and keep you in his arms. Ron.

“ When I was a small child I wore his tee shirt as a night gown while waiting for him to come home from work at night from Cleveland Crane. I have known Aunt Alice and Uncle Jack before I was even born! Loved him so much, he was a lot like my Dad; he was my second Dad. Our loss and heavens gain. Heaven is truly rejoicing at his coming home; where he has received that Mansion Over The Hill Top
