“ *Mary, my deepest sympathy to you. John was such a pleasure to have in our TOPS group. He was cheerfully friendly and celebrated all our victories and encouraged us in our set-backs. He was just a tiny bit older than me but I always thought of him as younger because of his cheerful attitude about life. He will be thought of with fondness. He was always polite and respectful with the women in the group. I especially appreciated his polite gentleness with the older women. I know it has not been an easy road since the first stroke. I am so sorry. I pray that you will take joy in the happy times you had together. Kathy Norton*

Mary and family,

A husband love is forever.

Is seems there's very little anyone can say or do to ease the loss of your beloved husband John who meant so very much to you.

But may you find some comfort in your sorrow that you bear, knowing there are many friends that understand and care.

May you find comfort in lasting memories or John.

Ken and I will always be here for you.

Everybody will miss him very much.

With Deepest Sympathy,

God Bless,

Love, Your Friends,

Ken and Jeanette Koenig

Mary-Our sincere thoughts and prayers are with you at this difficult time. I recall John always managed to show up on Saturday mornings at the AACA Hershey Fall Meet and Car Show when I was still attending with Brian Happel and Jack Fisher. I now have no recipient for all my old automobile magazines that I sent him periodically and that he distributed to all his car buddies. Stay well!

It's not even a month now since you have passed, and I already miss my dear old friend so very much. I shall never forget John's optimistic view on life, in which he always saw the best in anyone he met. Always so upbeat with that infectiousness smile of his. One of the most intelligent and level headed persons I ever met. Peggy too so misses the man who she said always had a twinkle in his eyes. Neal Trseger
