“ I worked with Jay for 30+ years and he always had a story or kind words to share. He never knew a stranger. He was an incredible person and role model. I am deeply saddened by his passing, but humbled and honored to be able to call him a friend. My you rest in peace. Godspeed my friend.

“ I won the jackpot on dads. My dad knew every step I was going to take before I took it. I got my sense of humor from my dad. I am heartbroken that ALS caught his time short, but I am grateful for the 25 years I got to spend with him. I hope I become half of the person my dad was. I love you so much dad.

Hello Molly, My Dad (Dennis Kriesen) worked with your dad at Mayfran (in fact, I think he actually HIRED him)! I got to know your dad as well when I worked at Mayfran over the summers when I was in college. Your dad was a great guy. I'm so sorry to hear that ALS ended his life, much too soon. My deepest sympathies to you and your family.

“ Jay was my brother-in-law. He was always so nice to me. . I'm so sorry he spent the last of his life with that horrible disease. Prayers to his kids and my sister Patty as I know this was very upsetting to her as well. We will miss our Jaybird 🐦 🖤 ❤️
