

John Kness

September 13, 1950 - December 29, 2024

John Kness, age 74, devoted son of the late Emily F. and John R.; brother to Antoinette (deceased) (John) Perciak, Amie (deceased) (Robert) Cresante, Jerome (deceased) Kness, Marce (Robert deceased) Longer and William (Kathy) Kness; uncle and great uncle to many.

John was an advocate, prayer warrior, sidewalk counselor for the unborn. He devoted 25 years to the pro-life cause. John, at times, had a gruff exterior but on occasion was able to convince a woman contemplating abortion and “save a life”. He will be missed.

John struggled with many health issues. Doctors were amazed at his resilience. One could only attribute this to his unwavering courage, his strong Catholic faith and putting each day in God’s hands.

“ To the family of John,
I'm so sorry for your loss. I just found out about John's passing.
John was a good, kind and faith-filled man with a big heart. I used to receive many emails from John because he wanted to share important life-saving information with friends. May God abundantly bless you, give you comfort and console you at this most difficult time.

“ We grew up 5 houses down from John , we played softball across the street at St Stevens with John , Jerome and Willy. The sisters would baby sit for me and my brother. Halloween 🎃 was especially fun with the family, only the bravest would go into the scary decorations in the garage. Winter was always snow ball fights. John and the family made my child hood a real child hood experience.
Rest In Peace , john

“ Fred Sokol to John Kness and to his Family

John Kness, former pro-lifer, at preterm Cleveland abortion mill and at other abortion mills - passed away last Sunday, December 29, 2024.

He sacrificed greatly so others could live.

Only God, he, his closest friends, his family, knew how he sacrificed to stand at preterm Cleveland abortion mill and at other abortion mills – to stop abortion of unborn babies at preterm Cleveland abortion mill - so the babies could live.

He is an example for us all.

It was a blessing to have him stand with me at preterm Cleveland abortion mill and at other abortion mills as well.

Please keep him and his family in your prayers as he is already in my prayers every day.

Thank You JOHN KNESS for YOUR SERVICE as a Cleveland pro-lifer - at preterm Cleveland abortion mill.

Heaven is even brighter now, with you there.

Your Friend, Fred Sokol, pro-lifer at preterm Cleveland abortion mill.
