“ I just learned of John's passing from his sister, Kathy. The last time I saw John was when my wife and I, in 2015, stopped to visit him and took John and Kathy to lunch. I hired John as a Managed Care Coordinator when I worked for AIG. Even though he transferred to another department we remained friends. I actually remember when, on a visit to Chicago for business, he spoke with me and told me of the Parkinson diagnosis. John will be remembered.

“ I graduated from Cardinal Mooney with John. We walked to school together & he always teased me about falling in the winter. He'd say, "Get those boots on"! 😊 I'll always remember his great smile. My deepest sympathy to the family. I found out about his passing through Barbara Joyce. I often wondered where he was. I feel terrible about his passing, but I know he's at peace now. Sincerely,

“ John was my family's neighbor in Euclid for many years and became a good friend to us. On his many work trips we would take care of the house and yard for him. He was a wonderful caring person who will be greatly missed by all who knew him. My deepest condolences to his family. May he rest in peace with his parents.
