“ *Already you are missed my friend - even though we only knew each other for a short time you were awesome and a good friend to me. Rest easy Johnny, you were called home much too soon.*

“ *Oh, buddy. My BFF, my almost-birthday twin. I still haven't found the words to say how much I already miss you. You were part of the family; an honorary Ingro. It was so hard to be in a bad mood when you were around, because your enthusiasm and your laugh were so damn infectious. I think some of my fondest memories are the mundane ones - just hanging out, watching movies, and drinking crappy boxed wine from your ridiculously big iced tea glasses while we contemplated (and complained about) life in general. We were so much alike it was kind of scary sometimes.*

*You were such a ray of sunshine in this depressive's dark little corner of the world, and I'm certain, to everyone who knew you. Even though we both moved hours apart and didn't talk as much as we used to, I hope you knew that. Wish I could be there for your service. I'd be there in a heartbeat if the border wasn't still locked down.*

*Rest easy, dude.*
