“ Grandpa, I'm missing you more and more every day. As I watch my sons grow and see the joy being a grandfather brings my father, I can't help but to think of you. Thank you for shaping my father into the wonderful person he is today and teaching him what being a grandfather is all about. Gavin always asks if you are eating doughnuts in heaven. We all hope you are.

“ *Grandpa you were very special to me. You were like father to me in many ways. You taught me how to do throw and catch a baseball, football and a frisbee. You showed me how to fish, swim and waterski. You always made time for me in everything I did or needed. You help make me the man I am today. I hope I made you proud. From one grandpa to another....I love you. Your grandson Mike*
