“ *Flo,*

My memories of Joe are not recent, but today they are still very fresh in my mind. We laughed a lot when we were young and more than anything I remember his smile and the joy and kindness in his voice.

Please accept my condolences and prayers.

“ Our heartfelt prayers go out to the Boyle family. Joe was a great man, friend and brother. He will remain in my thoughts forever. As I was a first year apprentice back in 1991, I had the pleasure to meet him as he then help teach me the trade and remained a mentor to myself until we last spoke in November 2018. We shared many laughs and wonderful times as we worked together. Not only did he help me along with his skills in the trade, but most importantly he helped mold myself and others what being a true union member really means. You will be forever missed though never forgotten! God bless the Boyle family.

“ Joe will be missed by everyone who had the pleasure of working with him & for him. He had a good heart, he treated everyone with respect, was a good union brother and dare I say, was one of the best insulators in the country. My last memory of Joe was working with him (IN ICE VESTS, 120 Degrees), at Perry beautifying the 3rd floor with the plant online after the outage.
You will be missed Joe
Sincerely,
