“ I happened, out of the blue, to think of Joyce and googled her name today. I worked with her at Weston Hurd. We became work friends where we complained and laughed about work and life. I'm sorry to hear that she's gone. Hugs to family members.

*My name is Arlene Rozinsky Tumminello. I am sending my heartfelt sympathy and condolences to all those that loved my childhood friend, Joyce Stellato Krupp. I spend every day of my childhood with Joyce. We lost contact with each other, in our later years. Joyce was one of my closest friends, and I cherish our memories! May she RIP and is now not in pain any longer. I know she will be with her brothers, sister and Mom and Dad 💕
I will never forget you Joyce💕*
