“ I am so sorry to just hear of Senora Garcia Carion's passing. She was one of my most favorite teachers I have ever had. I have a smile on my face just thinking about her class. She was energetic, kind and just an overall wonderful person! Thoughts and prayers to her family.

With deepest sympathy,

“ Condolences...she really encouraged my desire to learn Spanish...so much so that after her teaching me for one year in high school, I only took one semester of it in college, and have been pretty fluent ever since. She went out of her way to give me extra assignments to help me learn, and she was so proud of her Spanish heritage. What a wonderful lady!!

“ Judy and Ray were our very first friends as a married couple. Ray & I were both football coaches and Judy and Sonnie were both teachers. Rest in peace you two, we are so glad we were able to get together one last time when we were in town.

“ My heartfelt condolences to the Carion family for the loss of such a special person. I was so lucky to be Señora's student in Spanish 3 and AP, 1989-91. Because of her I'm a Spanish teacher today. She shared her passion for the language--always castellano--and cultures of Spain and inspired us to always learn more, discover more, expand our world view. And to challenge ourselves even when something seemed difficult. She made language and cultures come alive, and her classes were a joy to attend. She cared about and gave so much to her students, and I am forever grateful. I am who I am today in part because of Señora. Such a beautiful life. <3
