“ *Judy was an exceptional woman...always thinking of someone else and going out of her way to help in anyway she could. Always thoughtful, respectful and extremely caring individual.  
Heaven has gained an Angel in her passing.  
Our heart aches for her family during their time of sorrow.  
Love and God Bless*

*There is so much to say about Judy, she was a wonderful, sweet, kind and generous woman, filled with God's love. Everyone around Judy loved her to pieces. Judy was a Wife, a Mom, a Grandma, a Sister, an Aunt, a friend that would come at the drop of a hat and take care of whatever the matter was at hand. Judy loved and cherished her family with every fiber of her being. God gave us Judy for a short time and I am proud to have been a friend to her and the family. What a blessing she gave us just to know her and see that her ways were the ways of a good, sweet, holy and loving woman with a soul that did not know any evil. God blessed all of us the day Judy was born with her presence. Judy was truly in the right profession. Being a nurse went beyond her duties at work and extended all through her life to her family and friends, patients and everyone she came in contact with. Our prayers and thoughts are with the family at this time. We are so sorry for your loss. An Angel has gone to Heaven.*
