“ *I just 5 minutes ago subscribed to my hometown newspaper in Alliance, Ohio The first thing I saw was that my longtime friend Judy had passed away. I am shocked and saddened. Judy and I were friends all through school and always enjoyed seeing each other at class reunions and staying in touch through FB and occasional phone calls. My heartfelt condolences to her family. She leave me with tears in my eyes*

“ *My Grandma was so caring, so beautiful, and quite the social butterfly. A smile was always present on my face when she would tell me a story. I'm going to miss you so much but I know that whenever I look up at the sky you will be right there watching over me. My memories and love for you will last a lifetime, I love you*
