“ Just found out today, about my sister Judi passing away it is almost a year to the day. Her step mother did not let me know. I have been in Judi's life for long time. I am Ann Campbell's daughter. Barbara. Judi and I have had fun and talks at her home and mine with her dog Jamie. It would be nice to know what happened. We went to Mom's grave together and were planning a visit to George's resting place. Rest in piece Judi you deserve it after a hard life.
