

Judy D. Conzelmann Parravano

August 31, 1948 - November 4, 2021

Judy D. Conzelmann Parravano, age 73 of Mentor, OH, passed away November 4, 2021 in Sarasota, FL. She was born August 31, 1948 in Cleveland, OH.

Judy was a selfless, loving and kind woman. Devoted to her family, she led by example not only as a wife, mother, nana and grandma but also as a caring and one of a kind friend. She demonstrated true grace and beauty and showed all those around her what true strength really is. She taught her loved ones the importance of family, tradition and forgiveness.

No matter what day of the week, or what struggles Judy faced, she and her home always looked like they were out of a magazine, simply beautiful and impeccable. Judy enjoyed spending time with her friends and family. From weekly Sunday dinners to her annual Christmas Eve party, she proved to not only be a phenomenal cook but also an incredible host with a heart of gold who welcomed anyone into her home with loving arms.

While the loved ones she leaves behind will miss her more than words can say, we are grateful for the life lessons, traditions and memories she gifted us with through the years. It brings us peace knowing that she is now back with the ones she has loved and missed for so long.

She is survived by her daughter, Denise (Peter Paparizos) Shatkoff; stepsons, Mark (Holly) Conzelmann and Scott Conzelmann; grandchildren, Lyndsie (Kyle) Wall, Alvin and Nicholas Shatkoff, Mark, Merissa and Michael Soeder, and Avery and Allan Conzelmann; great-grandchildren, Chaysen and Brighten Wall, and Rhiley Soeder; and son-in-law, Mark Soeder. She was preceded in death by her husband, Paul Conzelmann; daughter, Kim Soeder; son, David Uchelvich; parents, Lazar and Nancy Vukcevic; and sister, Nancy Dranse.

“ We shared so many memories together. We lived next door to each other so we did a lot together with our kids. You would bring your coffee over after I got up, because you were up for hours & have your house cleaned before I got up!!! I have a lot of happy memories of us. When you & Paul came here for a visit & the time you guys came for New Years Eve out at Lake Las Vegas. I sit writing this & all the memories start coming back over the 49 yrs. we have known each other. I love you & miss you but I know you are with your family & friends that have gone before you.

“ Such beautiful tributes in remembrance of Judy and a life well-lived. I for one adored her.
A beautiful soul.
We met while working at the health center and immediately bonded and that bond turned into a friendship that spans over 30 years. We lunched together every day and spent time together with our families. We were there for each other in good times and then sad times. That's what true friends do. She will be missed terribly. But Denise you and your family were so blessed to call her yours and the time you had with her.
Let good memories comfort you.
Goodbye dear friend. Your work is done, rest in paradise.

“ I always remember how stunning Judy was. She inspired me one summer when she and Paul started a walking regimen and she ended up looking so spectacular in her white jeans! I actually started walking too!
I also loved visiting her home, sitting in her lovely kitchen overlooking a pond, and having just fun conversations with Joanie Utesch and her. She was truly a class act, and she will be missed.

“ God bless this beautiful woman! Always there to lend an ear, laugh until we cried, do a favor, or just have a cup of coffee! In fact, Judy taught me the art of making a “real” cup of coffee. Apparently I wasn’t making it strong enough! I have so many great memories but my favorite is when Mikey was a newborn baby. I put him in his carrier and set him on the kitchen counter. I stepped into the garage to get the stroller and Meri locked the door behind me! Now I have my eighteen month old and brand new baby inside and I am locked out! I was outside looking in the sliding door to see Mikey squirming his way out of his seat and just about to fall from the counter onto the floor. Judy and Paul heard my cries for help as they were driving by and stopped the car. Paul sprang into action, grabbing a large screwdriver and jamming it between the door jam. The door flew open just as Mikey hit the floor! Judy was there to calm us all down thankfully. That was a start of a lifelong friendship. Rest In Peace dear friend 💕

“ I have countless memories of times at Paul and Judys. First memories are of all of us swimming at Ridge Glen almost 36 years ago! Then over the years spending Christmas and holidays with everyone over off of Lakeshore and Judy making her redskin potatoes I would love to smash! I can't count how many Sundays Paul and Judy would come up to Manhattan Deli and have coffee and Salem's together I would always go sit for a little while between bussing tables always noticing Judy never aged and Paul adored his Judy! Judy always had the best laugh and best cooking and always made us have fun!
