“ June was a Delta Zeta sister from Fairmont State and a friend for many years. We have met up many years in Florida as we traveled and she and Roger came to our home with their camper. June was a great cook and always willing to help with anything. Her upbeat attitude was contagious. You will be missed by all. May you be happy in the arms of Roger now.

“ June was the secretary on the Board of Directors at the same time my husband Ed was the president. Before and after that she was the secretary on the Fun'n Sun Committee with me. Competent, meticulous and professional, June always did an excellent job. She was involved in various committees at our SKP Resort because she truly loved our community and was willing to pitch in wherever she could. When people say she was a vital member of our park, it sure was true. June was such a wonderful human being, a friend to all. Thank you June for exemplifying the true meaning of SKP (special kind of people). You will be so missed by all of us.

June and Roger were the first people we got to know at the SKP Resort in Wauchula. We met them while camping in Ohio and were immediately welcomed with the spirit of fellow SKP campers. Both Roger and June have had significant positive impact on our lives. We will miss them.
