My thoughts and prayers are with you during this difficult time. Justin brought so much joy into my life all these years and the world. He will continue to do so through all the good he has left with us.

“ *I did not personally know Justin but I know his mom Dixie. I followed his story on the Go fund me page and was so saddened when I heard of his passing. You are all in my prayers and hope you'll find a small measure of comfort in knowing there are so many people who loved Justin and will be dearly missed. My prayers are with all the family during this difficult time.*
