“ Aunt Karen was always happy to see you. When she said hello you could feel how much she truly meant it. I trust she is smiling down on us and planning a BIG PARTY for us once we all are together again.

“ Aunt Karen had a super special piano at her house! I remember hanging out and listening to it play things like, “Grandma Got Ran-over by a Reindeer” and other fun songs! We had the best time! I also enjoyed Aunt Karen’s game days. It was such a special time to get a bunch of people together! My husband and I still have and use several of our prizes. She will be greatly missed!
