“ I am so so sorry for your loss of Karen. My heart aches for you all. I have very fond memories of all the Matlocks, since I went to school with Debbie and Karen. We were always at their home, since we were all best friends...they loved KISS as much as Blake (who was the fanatic) and myself...all the lip syncing, which Karen was very good at and best air guitar always went to Debbie. My love, prayers and so many blessings are being sent to the whole family and all of her wonderful friends...please know I will always keep you all in my heart and prayers...God Bless you all...incredibly sorry for your huge loss.
