“ Katie was one of my best friends growing up. Although we fell out of touch after high school, I will miss her dearly. I have so many fond memories of staying up late at night, talking about anything and everything. You may not have known it, but you were a big influence in my life, even today. I admire you for your courage and strength, and I will never forget you, Katie. I love you, and I hope you are free and happy, wherever you may be.

“ As Katie's elementary music teacher I have good memories of her. Katie was tall for her age and very mature. She had a good positive influence on her classmates. I enjoyed having her in class. I am very sorry to learn of her shortened life. Prayers to each one of her family.
