“ My condolences to Katie's family. I will miss her kind words of wisdom as I am fighting the same battle as she did. She would always say hi and see ya at the dialysis center. She was my "cheerleader" telling me keep up the great work and never give up. Also, told me everyday I was looking great.

“Katie was a great example to follow. She never gave up the fight. She was brave and fought until her last breath. Katie was kind to others and accepted her role in God's plan for her. See ya Katie some day. But not too soon. I need to guard the Island.
Love ya,
