“ *I first met Kate when we both worked the Summer Youth program. So many laughs and good times with all the guys since we were the only two women. Little did I know that we would meet again when I started working for Willoughby Eastlake Schools. A special lady who I will miss greatly. My thoughts and prayers to her family.*

“ I first met Kate when she lived on Wilson Avenue in Willoughby many years ago. I lived 1 block away.

We reconnected when we both worked for WE Schools. She was a good friend and such a caring person. She was a very strong woman and I admired her. She loved her family and was proud of them. Rest in Peace My Friend. ❤️

“ Dear Family Please accept my sympathy in the loss of Kate. I worked for Willoughby-Eastlake schools for 24 years and had acquaintance with Kate during that time. I've been retired now for 13 years but have recently been pleased to have Kate as a Facebook friend. I've always admired her energy and the many roles she has played. God bless you as you mourn the great loss of Kate.
