“ Kim and the boys I am so sorry for your loss! I've had the pleasure of working with Keith for over 20 years and he will be missed. He was one of the most transparent people I knew. If he was thinking it, he was saying it, and I'll miss this. Keith I know I'll see you again, but until then take that bank roll out of your pocket, go to the casino and enjoy yourself a little drink my friend!

Sincerely Lydia and Nate Green

“ Great guy, family man, and friend of my ex boyfriends. He said he saw him beginning of summer at Shell off Chagrin Blvd. I remember he told me out of HS he worked with him @ Al Trincia's gas station while the two of them finished up College. The best story was he took Keith's Dad and Brother fishing on his boat. Harold Keith's Uncle kept casting his fishing pole off the side of Jim's boat. Fortunately he got him to stop and they limited out. Harold passed shortly after. Keith didn't even go but Jim was so happy he caught them all lots of fish.

He will be missed 🇺🇸
