“ Keith taught our family so much about the Lord of Hosts and the fishes of the sea. Josh, Joe, Tom and I will forever treasure our time and recreational adventures in Canada with Dr. Keith. He helped us to catch minnows via net and hook to use environmentally to hook MONSTERS! Keith was always quick to laugh and slow to anger. His patience was evident in each and every four legged friend we met under his care. Industrial, durably meek, and concisely Christian are the adjectives that come to mind when we smile at the memories with Dr. Keith.
Well done good and faithful servant, you will be greatly missed and ever so fondly remembered.
XOXO,
