“ *Keith was a man among boys when I first tried to get his attention. He was a lifeguard at Pineway Trails. Sitting at his post he reassured me I had the height to do a one and a half. With his encouragement I did it. He is responsible for the confidence I gained that day. Keith could get my mom to laugh, my sisters had crushes on him, and I loved to hear him walk in the room with his boots, wallet, and chain. Keith loved his coffee and an occasional stolen bottle of Munich homemade wine from the basement. He could hang with the oldest person in the room or the youngest. A day with Keith was always an adventure. He invented swagger. I hold onto my memories of Keith and feel extremely lucky to have them.*

“ Keith was a very kind and loving man. Eleven years ago when I lost my father, Keith was there. He was very supportive, kind, and understanding. Keith was a second father to me (stepfather). He had many qualities that reminded me of my dad and made me feel closer to him. Keith was an awesome Poppa to my children. We will always remember you as you were; Kind, caring, courageous, and filled with life. Miss you and May you rest in Peace.

“ Keith was more than just a father-in-law, his kindness and caring attitude made him more like a second father to me. I also could never forget his dedication to the Mentor on the Lake Community responding to every fire and EMS call possible no matter how tired he may have been. I will always have a special place in my heart for Keith as he showed many of us how kindness goes further.

Keith was a loving kind Father-in-Law (father), and grandfather (Poppa) to my children and I He will be missed dearly but never forgotten.
